I had the privilege to work for Ms. Jean in 1987. I adored her! She was very good to me and treated me graciously. She was elegant, smart, funny, and loved her family. She told me about losing Dave and later in my life I could identify with her loss. Donna, she loved you and Don. I will always remember her and pray that our Lord Jesus will comfort you and your daughter with His peace. I can just picture her in her high heels, which I could never walk in, reunited with her Lord and loved ones. I'm so very sorry for your loss.
