Without their caring staff Mr. Aeschliman's days wouldn't have been near as fulfilling and happy. One of the most wonderful things about Mr. Walt was how he made others feel. You never saw him without a smile. He was always happy and he always had something positive to say. You always left feeling better after seeing Mr. Walt. We looked for him ever day and felt sad when it was his day off. We miss him a lot. He is a frequent topic of conversation. If we had more Mr. Walt's in this world, everything would be better. A consummate spreader of love and cheer. And before I leave this page let me not forget to tell his family how much he loved you all. Everyone of you were a constant topic. He was so darn proud of each and every one of you. Most of us feel we know you personally. He was extremely proud of each of you. He is missed in our store. I will continue to think often of him, and always with a smile. A wonderful man Mr. Walt. Prayers to all of you.

My heart goes out to Pat and kids over the loss of Walter. He was a sweet, kind man and I always loved being around Walter, Pat and kids. Yes, I remember the days of babysitting kids! What fun we had. Then teaching Trisha brought us back together again. All my love... Colleen Dugan Plant

Mr Walt was God sent. He was one of the kindest people I ever met. He always had a smile on his face that was contagious. Kind is an understatement, he meant the world to all Home Depot associates and our families. My boys and husband remember him as the "Snap On" guy. He always shared Elvis and Red stories with me. He will truly be missed. Heaven got another good one.
