Outside of family, I do not believe there is a single person I have spent more time over the years sharing a meal. Weekly lunches, business dinners, dinners as couples. Business trips, road trips to pick up his new Corvette, and his airplane. Visits to the river and their return visits to the lake. Hangar parties, and short trips trying to find the perfect burger. These are memories I will cherish forever. Please know your family will be in our thoughts and prayers. I could not have asked for a better friend. We will miss him immensely.
