David Harold Degroot was my favorite human from the time that I first saw him, and then talked to him, to the the time that I knew him and he knew me. I knew more about myself through him than I ever thought. Imaginable! I think about him everyday. And dream about him so often. I know he's watching over his favorite people. And I just hope I was one of his.. like he was one of mine..I love you. Always and forever. David Harold. Love always, Your Raven 🐉🖤

My sincerest condolences for your loss. One day very soon God promises to wipe our every tear (Rev. 21:3,4). Until that time he says that he is close to you as a source of comfort and strength (Psalm 34:18).
