Tina and her sister Robyn would come to visit their Uncle Bud's widow Dottie (my mother) in Texas. They were like two playful kittens in the kitchen with my mom. I got to talk to Tina for a little bit about different topics. I was able to understand only a smidgen of the colorful life that she had led. I only saw a small portion of her fun and untamable and fighting spirit. She was one of the few people that I have ever known that , "I just wish I could somehow protect her shining light from harm..." I'm glad to know she is able to finally rest. She is now allowed to show her huge heart light protected in Heaven. Sympathy is sent to all of the family, friends and everyone that got to know her that really sincerely loved her.

Tina and I were friends almost like sisters for years. We always had a great time together and I felt like her family was mine. We lost touch but I will never forget her. I loved her very much. God bless her and her family. Prayers to you.
