Hello Chirag, Ravi, Mrs Chauhan and family. So sorry to hear of Dr Chauhan's passing. I have fond warm memories of spending time with your family each holiday, and despite being a kiddo, feeling totally welcome. I know my dad loved working with yours and had/has great respect for him. I also loved your dad's sweaters:) Much love to you all and I am know he is proud of what you guys have done with your lives and families! If I am out of clinic in time, I will see you there. I know my parents will be there as well. But just in case, love and hugs your way.

I'm so sorry for the loss of your love. May the God (Psalms 83:18 Jehovah) of comfort and tender mercies (2 Corinthians 1:3,4) comfort your hearts while we await His Kingdom government that Jesus taught us to pray for in the Lord's Prayer. Revelation 21:4,5 says it will end death..... and make all things new.
