Will was one of my very first bosses! I loved him dearly and he taught me the life lessons I needed to carry with me in the professional world. I treasured his sharp intellect, his caring attitude, and his ability to teach and share knowledge. Will was a 'Super Star' in my book. No matter where I worked or lived I have done my best to keep on touch with him because I valued his friendship tremendously. Thank YOU, Will, for being YOU. You will be missed. Most sincerely, Patricia Gordon Stevens Kapunda, South Australia
