Julia Alice Wright, Memphis TN Alice Wright died peacefully on December 9, 2018. She was born in Crawfordsville, Arkansas on July 30, 1930 to Italian immigrants, Tony and Julia Jose (Giose). She was beloved by family and friends for her generosity, loyalty and sharp wit. She loved people and truly never met a stranger. She forged life-long friendships that spanned fifty years. She is survived by her children Karen Wright, Gayle Beckler, Alan Wright, Mitzie Wright, her former daughter-in-law Sheila Wright and grandson Jacob Wright. She will be dearly missed by her family. I used to ride the bus with Alice and she was the funniest lady I ever met. Later on we worked together at W R Grace and I had the wonderful opportunity to really get to know her and she had a way of brightening your day and always making you laugh. Alice could make the most fantastic Italian Cream cake. I certainly know where she is right now and I know that Karen, Gayle, Mitzi and Alan can all take comfort in knowing where she is.

I have known Miss Alice for most of my life. Over 50 years. Her husband was one of my first coachells and role models. Miss Alice was in charge early on and raised an awesome family for the most part. Alan remains a work in progress but the girls will finish what Alice started. She was a great lady with a big heart who always made me feel special over the years. The Wright's were always special to our family. Rest In Peace and tell coach hello for me.
