Ginny was my great aunt and I do emphasis GREAT! She was such an inspiration to me. She inspired me to learn to crochet and bake. We both had a love for pigs. Aunt Ginny made the best divinity in the world! She's going to be missed dearly but I'm rejoicing knowing that she's reunited with uncle Steve and now, my dad. Prayers for her family.

She was there the day I was born. I was with her one week before her passing. In between were 71 years of love, shared moments, laughter, and her teaching by her pattern of life. I will continue to love her, and miss her.
