I wish there was some way to take the pain of losing a loved one away. But we can take comfort in knowing that soon we will have the chance to see our loved ones again. And to be able to live at a time when sickness and death will be no more. These are a promise from Jehovah God, so we can be sure it will happen. Revelation 21:3-5, and John 5:28,29.

To the family of Betty H. Jordan, may you have many happy memories. Losing a love family member is one of the most painful experience to go through in life. The best source of comfort comes from the bible. May you have comfort in knowing that the death and resurrection of Christ Jesus opened the way for mankind to be release from death by means of the earthly resurrection. There is going to be a resurrection of both the righteous and the unrighteous. Acts 24:15 John 5:28,29

Many condolences to you during this time of loss of your dear loved one. Many have found help from the scriptures during times like these. There are so many promises for the future where death will be gone forever. In 1 Corinthians 15:26 we find this promise "And the last enemy, death, is to be brought to nothing." Also found in Revelation 21:4; "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." May these and other scriptures like John 5:28-29, Isaiah 26:19 and 2 Corinthians 1: 3-4, give you relief from sadness and offer hope!
