Shannon. I had the pleasure of knowing you but for a short while and I loved every minute of spending girl time with you. You were always so sweet and kind Always talking about your beautiful daughter Ava and how much you loved her. You are her guardian angel now and she was so lucky to have you as her mom. Omg I am in shock. What a terrible loss. This makes me sick. Shannon was always so kind. I remember she was more worried about helping others over herself. Her memory will Forever be a blessing.
