I'm so sorry for your loss of Aidan. My condolences go out to the entire family. Death is something God never wanted us to experience. We can comfort from Gods word at Revelation 21:4 which says "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Soon God will end suffering and death will truly be no more. How encouraging that is. I ask that if you are ever approached by a Jehovah's Witnesses , please feel free to express any question you have about death, so that we may discuss from the Bible the hope of seeing our dead loved ones again. In addition go to our website at jw.org as well to find more comfort and encouragement.
