Derek will be missed so much at his place of work by me. Since my first day at the building, Derek was a true friend and a great man. I will miss his smile when I used to see him and I will miss seeing him when I walk in the building. My thoughts and prayers are with his kids and family and friends during these tough times. Derek will truly be missed and a part of my happiness went with him. Take care and God did gain a wonderful Angel.

Derek loved his Lord, his family and his friends. Being around him, people knew by his way of living, that he was a dedicated Believer in The Lord Jesus Christ, and a man whose life was committed to love and service to others. He had an effect for good on many people, yet was humble and gracious. He will be missed greatly, but we can be comforted that Derek is with The Lord, in a much better place. His friends and family will remember that he walked a good walk of faith, in such a way that we all knew Whose he was and is. Rest In Peace, our friend.

Please accept my heartfelt condolences. Death is never easy, and it brings us great sorrow. But in God's word the Bible, it tells us of a time when we will be able to see our loved ones again. We have this wonderful promise of the resurrection. I think about this promise and what a time that will be when we can meet our loved ones again (John 5: 28, 29). I hope this brings your families some comfort at this sad time.
