Drove by Eastern market and then the 4H Center on McClellan yesterday remembering Bill. When the story of Detroit's rebirth is told, his name should be included among those community leaders who literally laid the groundwork. He was a patient and wise mentor to me and others at the beginning of Extension's urban agriculture movement (Growing Roots) and the Great Lakes Heritage Project. Most of all, his insistence on equal educational opportunities for urban youth and families forced MSUE and 4H administrators to direct program development to the needs of neighborhoods and schools of the city. I suggest the 4H Community Center should be renamed in his honor.

Bill will be truly missed. He was such a dedicated mentor to the youth of Wayne County and beloved by many. He believed in investing in the future of our youth and could not be deterred or discouraged from providing a consistent presence for youth in the community. Our world needs more men like Bill willing to step up and be heroes to our children. His crowns in heaven are will deserved. I am proud to have worked with Bill in MSU Extension.

To the Family, so sorry for your loss. Hope you will be comforted in knowing that William has the prospect of being resurrected, healthy (in the flesh), to Paradise Earth just as Jehovah God has promised. In fact , the vast majority will enjoy everlasting life right here on earth as God had intended from the beginning. God's Kingdom will do this under the Rulership of Jesus Christ.
