Rhonda, Wally & Taylor, I want you to know that your family has been in our thoughts and prayers since we have received word of your loved one's passing. I know this is a difficult time for you and the last days of his life were difficult. If you can, try to blot those days out and replace those memories with all the good ones of him in the forefront of your mind. Share those good memories of him with Mona and, they will continue live on forever. May God give you strength and comfort in the days ahead and, may he lay his healing hand on your broken hearts. Love you all!
Take care!!
