Kaelynn Spradlin

JUL 10, 2016 - JUL 4, 2018

Kaelynn Rae Spradlin, spread her feathery wings and got her freedom at 10:16 pm on Independence Day, July 4, 2018. Kaelynn fought a long battle with Acute B Lymphoblastic Leukemia/Mixed Lineage Leukemia with a courageous heart, and a spirit and love for life that inspired and amazed anyone who knew her. Even at just shy of 2 years old, she was a leader in God's love and an incredible example of strength to everyone she knew. Kaelynn came into this world on July 10, 2016 in Oklahoma City, OK. Kaelynn is survived by her parents, Jesse and Kelly Nelson Spradlin, her big brother, Jayce, great-grandmother Geneva Skipworth, paternal grandparents Jerry and Janet Spradlin, maternal grandfather William Nelson, aunts Holly West and Tisha Ingram, and uncle Kyle Sanderson. Kaelynn was preceded in death by her great-grandparents, Edna and Charles Nelson and B.C. "Boots" and Josephine Greenhaw, and by her grandmother Deborah Nelson. Knowing they're reunited in heaven gives us great comfort. Kaelynn lived most of her life at St. Jude Children's Hospital in Memphis, Tennessee where some of the greatest people on earth helped our little fighter win many victories and shared plenty of amazing memories. Her celebration of life will be held from 5-8 p.m., Tuesday, July 10 at Memorial Park Funeral Home and Cemetery. In lieu of flowers, please consider making a donation to St. Jude Children's Hospital in Kaelynn's memory. Information about the Memorial Service is as follows. So truly sorry for your loss. While I know that Kaelyn is Home with her family of angels and is no longer suffering, I also know that your arms are aching to hold her and your heart is breaking because you cannot. I will continue to pray for you and all your family as I have all these months. Be strong and know that there are many people who continue to love and pray for you. You do not know me but your Aunt Diana, who is my first cousin, and Uncle Clint have kept me up to date on all your many trials and triumphs.

This little girl gave so much love in her little life, I'm very blessed that I got to spend some time with her, she always smiled, she has a great big brother, mommy, and daddy that was there for her, my heart is broke but only because I won't hear her laugh again but even though my heart is broke for her family, I know she's not hurting anymore and she will forever be their guardian angel
