Larry, my condolences. I had many good conversations with Terry when he was out walking the dogs. You guys were the first people we met in the neighborhood. Sorry for your loss.

Terry will be missed by so many. I always looked forward to seeing him and talking to him every year. Even though we only had a professional relationship, there was something about him that made you feel good and made you want to know him more and be his friend. So many prayers are being sent up for Larry and the family for peace and comfort.

Cherished memories and many miles traveled together, My wonderful friend will be truly missed , my laughing buddy , I know we would drive people crazy when we would get too loud , but Terry brought out the funny side of things that no one else could. Go rest in peace my friend and save me a RV spot in heaven next to yours. Our hearts are with Larry and family . Our stories of the beach and highways traveled will be shared for years to come and you will always be with us.
