An Eternal Memory.... Until we meet again Those special moments of you will always bring a smile. If I could have you back even for a little while. Then we could sit and talk again just like we used to do. You always meant so very much and always will. The fact that you're no longer here will always cause me pain, but you're forever in my heart until we meet again. "Her children arise and call her blessed, her husband also, and he praiseth her.". Proverbs 31:28 I love you mom and will forever and always miss you but know that I will see you again. My beloved mother. ??
