To you All: Our family expresses our sorrow for all of you at this time. We know your hearts are hurting. It is all still so real to us after losing Dad. God will guide you and heal the heart over time. There will always be chunk missing , but it will get better . Just know we will be praying for you all now and thru the days to come during the hard times to come. We always love it when you all would come for visits. Just wish Mom and Dad had traveled more and us come to see you all more. Traveling just was something we did not do as kids. Mom and Dad still never did travel much. We love you all and prayers are for now and always. Please Know our hearts are with you all right now. Love, Judy

Toreda, Tracey and Stacey, I'm thinking of you and praying. I've been where you are. As hard as it is, knowing she was a faithful Christian, makes it a little easier. Hugs dear friends.
