You are my dear sister and we had a special relationship from your birth. You were my little baby girl, although I was a young child myself. In time, I bathed you, dressed you, spanked your bottom on rare occasion (although you never needed it much), and you were my bosom friend as you grew older. I will miss you very much. I'm glad that we were able to share our time at the beach a few years ago and I bet you found a white sandy beach up there in heaven already and are dancing and running everywhere. It's forever "another day in Paradise for you now!" Love you forever and will see you someday again.
