Dear uncle Billy and aunt Genellen, its me, Chase. I know I didn't know him much but I still can't stop thinking about him. I wish I got a chance to know him like the rest of his cousins did, like my dad. I have never seen my dad cry except for that time. I pray almost everyday for y'all, my dad, and Brian. I have cried multiple times when I think about him. God bless all of his family and friends.
