I remember Mr. Kenneth as a fine man. My father worked for the brothers at the old Big Star at Macon and Maria. I worked for Mr. Jack when they built the "new store" on Macon. Stephersons has served that neighborhood for many decades. Condolences to the family. Bill Hopper

Majid and I are so sorry for your loss. Ken was very special to us and to so many others that his loss will be felt deeply. We will not be in town for the services and so will not be able to be with you physically but know that our thoughts and prayers are with you all both on those occasions and in the days ahead.
