My heartfelt sympathy to the family. I remember how eloquent Debbie and Leicha were as they remembered their dad at his service. She had the brightest smile which she now shares in Heaven.

To Gary and all of Debbie's family members, I extend my deepest sympathy and prayers. You do not know me, but I'm a member of First Evan and was able to have fellowship from time to time at church with Debbie. She was such a sweet, gentle lady. I lost my mother to pancreatic cancer when she was barely 69 years old, so I have carried you all in prayer over the last several weeks, because I know how difficult the path is. I pray for God's peace and presence to carry you through the days ahead.
