He was truly a special man. He thought I was Janice's mom when I first met him. I told him look I know I'm old but I'm not that old. He will be missed. sheila dehoff

Bob would spend several weeks with me in Louisiana each year. We played golf, rode motorcycles and ate at some of the best restaurants in the Slidell, Gulfport and Biloxi areas. I want to say a special thanks to Ms. Rebecca Hampton for being the special friend and caregiver to Bob. His life attitude was so much improved after meeting her and his love for her was voiced to me on many occasions. Bob was one of my best friends and I will miss him dearly. Mine and my family's prayers are with Bob's family, Rebecca and all the other friends that will miss him. In a softer moment, the old coot beat me to all the answers that I am still asking—love and miss you Old Man.CW Huff and Family.

So, so sad to just have missed getting to visit with Uncle Bobbie and cousins. We wanted so much to connect with Uncle Bobbie and Glen and Allen. Mark has so many memories of spending summers with his Uncle Bobbie and cousins during summers while growing up...He will be missed by many!

Mr. Robert was a customer of mine at First Citizens National Bank. I loved to see him come walking through the door! If say, "Mr. Robert, how ya doing?" He would always say, "Terrible". Then we would start laughing and cutting up. He was one of my favorites and I will miss seeing him!
