Denise, Bobby and I became friends at Memphis State in the late 60's and early 70's. As with many friendships, after graduation we went our separate ways, began our careers, raised our kids and just got involved with life. Over the years I would see Bobby and Denise at different events and we would catch up about our lives. I remember running into Denise at the Collierville Target about 10 years ago. It was like we never lost touch. I would keep up with Denise and her condition over the years and said many prayers. She was one strong lady and a really sweet person. The Bible tells us that our heavenly bodies will swallow up our earthly bodies at death. Our heavenly bodies are perfect and our earthly bodies will be no more. Now Denise has her new body, she has no more pain and her illness is gone forever. She is in a perfect place. To Bobby and his family, you are in my thoughts and prayers. Billy Wilson

I had so much fun with Denise and Bobby during my college years. Then after and marriage and rasin' kids Debbie and I had great times and laughed a lot with Denise and Bobby. She will be missed and those memories with Denise will be cherished. Our thoughts and prayers will be with Bobby and his family. Lynn and Debbie Biter

One of my earliest memories was of going to Bobby and "Niece's" wedding when I was a little girl. I thought she was the most beautiful and vivacious bride I had ever met, and she continued to be a role model to me of what it is to be a gracious, loving friend and family member throughout her life. Her presence at family gatherings and on my visits to Memphis will be sorely missed.
