RIP Brother. Scott was truly a Pi Kapp for life (the only other two are Bob Biesot and Tom Carter that I really know were all in all the time). I met Scott in 1983 when I joined the chapter and he was always there despite the fact he had graduated. In 2017 the chapter had been closed a couple of years and the house sold and he still was engaged. I really think not having the house and young active brothers to check on by the Father of Gamma Delta chapter left a hole in his overly generous heart. He will be missed and I am truly sorry I did get to say goodbye. I look forward to sharing Scott stories on Saturday. Cheers Shawn Massey Gamma Delta 293

So sad for all that he had to endure over the last few years. He was so blessed to have a loving sister by his side through it all. I've known Scott as my good friend's brother and also as a member of my teller staff at First Tennessee. He was an easy going guy who lived by his own rules. RIP my friend!
