Penny, as many have mentioned you were truly an Angel on this Earth. My thoughts and prayers are with your family and loved ones. I will never forget meeting you and your Delta Gamma family over 30 years ago while getting the "stamp of approval" as I was courting to marry one of the DG family. As well, the Caribbean Cruise, Atlanta Chastain concert and many other get togethers. Your kindness, generosity and caring was very special to us and our family. You always checked in on us and the boys to see how we were. You will be dearly missed. Mike Lawson

We send our condolences to Penny's family and pray for them at this very difficult time. We will remember Penny as a good neighbor and a very civic-minded person who cared deeply about her community. She was welcoming and friendly when we first moved to our condo and a passionate member serving on the homeowner's association as a board member. May you rest in peace and may the angels watch over you. Howard and Mickey Meincke

Penny, the time on this earth my daughters and I have had an opportunity to share with you was unfortunately brief and cut short, yet you treated us with kindness and love from the very first day we all met and as if we had all been family forever. Your love and generosity toward Jade, Brooke and myself is a true testament to the beautiful person you were. You are loved and will be missed dearly.

The world lost an angel on Saturday, but heaven gained an angel! Penny, by now you have clarity of when I reached out to you last. I am sorry it brought you grief and misunderstanding. You are loved and will be missed! Wanda and Daddy, I wish I could be there to give you an enormous hug. Hang in there and rejoice in the sweet time you did have with Penny in your lives. 2 Corinthians 2:4 "For I wrote you out of great distress and anguish of heart and with many tears, not to grieve you but to let you know the depth of my love for you." To Penny's sisters, 1 Peter 5:6: "Humble yourselves, therefore, under God's mighty hand, that he may lift you up in due time." Linda McClarney

I'm so sorry guys and will be praying for you. She was not only the best Aunt ever to her nieces/nephews but to all of our kids at Planned Maintenance. Whenever my kids had to come to work with me, she would just "love all over them" with hugs & kisses. No matter how much I tried to keep them from bothering Ms Penny they still managed to make their way to her desk and as always she welcomed them with open arms each and every time. So loving!!! Best Hugs Ever!!! -Beverly

Aunt Penny, I will always treasure our road trip to Albuquerque that we made together at the end of September in 2014. I remember our stops in Amarillo and the Cadillac's on the side of the road, the frequent bathroom breaks we made, and all of the laughter in between. There's no one else I would have rather spent that 2,000 mile drive with than you. You were the most selfless, giving person I have ever known. I feel so very blessed that God gave me you as an Aunt. Thank you for always having my back and supporting me in everything I have ever needed. Having you in my life has made me a better person. You were loved by so many and missed more than you can possibly imagine... Rest in Peace, my beautiful aunt. Until we meet again, Taylor Grace
