To the family of Judy Drewry, my Thoughts and prayers are with you. Judy was the person who I could go to when I was having a bad day, she would also have something to say to make me laugh. Judy gave me a necklace after my transplant, she said Trenese, this is a strength necklace that I didn't get a chance to give it to my mother, so I want you to have it. The in graving reads, All the strength you need is right there inside you. I will forever hold this close to my heart. I LOVE YOU JUDY! Trenese
