Alan, Hayden, and Dawson, I want to share my sincere sympathy and love for you in the loss of your mom, and grandmom. Beverly and I were the best of friends growing up. We were friends from the time she came to Germantown Elementary School, (5th grade) until the present. I loved her dearly. I spent many, many days with her as we grew up together. Please know that you and your family will be in my thoughts and prayers in the days ahead. May God be with you as you journey on. Love and Blessings, Judy Hindman Craig
