Brooke began as a salesman to Sharp in early 1979 supporting TV and M/Oven with his employer Wurzburg Brothers. Brooke was a key contributor on many projects and could always be counted on to make his best effort to support SMCA. After retiring from Wurzburg, Brooke helped start up IPS in the local Memphis market. After so many years of working with Brooke, he was more than a supplier but a true friend and will be sorely missed. I have so many fond memories of Brooke over the 35 years I have known him. He was affectionately known as Brookskee to many of us. Sandra, you are in our prayers. Vince, Darlene, and Lindsey Sampietro
