With deepest sympathy to the family. My husband and I was sitting here talking about downsizing. I told him maybe we should contact Jane since she sold us our starter home and our family home. Did a google search to contact her only to find out she passed away. She was so nice and kind to us and was always available to assist us if needed. Rest in peace Jane and our condolences to the family.

With deepest sympathy to the family of Jane. She was one of my best friends. We shared so much....went to church together years ago when her husband was able to go. She was a fine christian lady who loved her Lord. She was longing to see her husband that had gone on before her....and now they are together forever more. You will always be remembered and always will have a place in my heart. She loved you Carolyn, and her two boys (grandchildren). You were who she talked about when we were together. I will miss you, Jane! Will see you again one day! Allen and Jerrie Cost Oakland, Tn
