Margie, Pete and I spent many a year together when we were growing. We were close cousins. He spent a lot of time at our house in Kinderhook. We lost touch, but reconnected on Facebook. Sorry we did not get to see each other. I plan on attend his burial service. Prayers to you all. Jeanette

Margie:It has been many years since we spoke or saw each other, but I heard of Pete's passing and wanted to connect with you to extend my sympathy in your very trying time. Funny, going through an old box of photos I just saw a picture of him in our driveway. He was always smiling and was head over heels for you, and fast – right away. It sounds like you had a wonderful life. He was too young to have left his family. The old days we had were fun for all of us. I know you will be comforted by your children and memories.Carol Duschinsky (Carol Robinson)
