Keeping the family in my Prayers... We will miss you so much Grandma! I smiled thinking about you today. I Remember coming to the house and almost running late for your Dr. Visit and you almost made me go back in the house the for a footstool. I said how about I pick you up and put you in the truck so we can be on time. Lol we all still laugh about that moment. She was such a blessing to myself and my family we love you ❤️ Rest in Heaven
