Becky was not just my cousin but a dear friend that I was so close to. We worked together at the same finance company in the 60's for about 3 years. We just loved being together and enjoyed our boys together when they were born. I could call her after not talking for a while and it was if we had not been apart for that time. She was such a wonderful person and will be missed by so many!

Becky was a very special person in my life. She and her sisters and brother were more like brother and sisters to me instead of cousins. We grew up together, went to school together and some of us lived together in Memphis when we graduated from high school. I will dearly miss her and wish I could have been there from too far for me to travel from Houston TX area. My thoughts and prayers are with the entire family. Love you all.
