I was Brenda's stylist. It seemed she was always driving too fast to get to the salon. I would say "Bren, I thought you were going to drive your car straight into the salon." She would just laugh. She always had that big smile on her face and was such a bright ball of sunshine! She was just with me on Monday, September 12th and I couldn't have imagined it would be the last time. She loved to laugh and thought everything I said was funny! I will miss her.

I wanted to share this. I lost a very dear friend 3 days after Christmas this past year. I needed some air the day after as I was very upset . ..Brenda came out and I explained to her what had happened. She immediately came over and gave me the biggest heart felt hug.. I will always remember that moment. It meant so much to me and will never be forgotten .Teresa O'Neill

I met Brenda about 4 years ago and we got along right from the start, she always had a smile on her face and I could talk to her at anytime. She would always ask me " how is Betty (me) with a smile and a wink. We would talk every time I stopped by her office trade stories and one of us would say something funny and she would add " love it" ! She would ask how is my daughter. I would ask about her daughter.I am certainly going to miss her. Just want to say to the famill stay strong and keep your head up we love Brenda but God needed another angel so He claimed Brenda. So glad I had the opportunity to meet her. Until we met again, rest on sweet lady.
