A Wish And A Prayer In Loving Memory Of My Brother "Mackey" May your spirit soar in freedom from the fears that gripped so tight. May you find the peace you searched for as you wandered lost in the night. May your tortured mind be clear and calm and your tender heart be warm. May you have no need for strength now. May there never be another storm. May the music of the angels be the sweet sounds that you hear. As you're rocked in Heaven's cradle may you never shed another tear. I'll wear your memory proudly, My brother ...my true friend. May my love for you reach Heaven above until we meet again. I find comfort in knowing you are in a better place now with daddy, mama and Pat Thank you for listening to me unconditionally, without judgement. My dear sweet, lovable brother, so patient, kind and fun. My life has and will continue to change without you. I miss you! Forever Your little sister, Peggy
