It is always so distressing to hear of the death of someone so young. Yet, it is comforting to know that our God never intended humans to experience such pain. How we look forward to His promise at Isaiah 25:8 to swallow up death forever and wipe away tears from all faces. Until that time, be assured that He knows the pain you endure and feels it as well.

My sincerest condolences to Hernandez family. Losing a loved one is one of the painful things in this world, especially a young one too soon to sleep forever. Yet it is comforting to know that God deeply cares about us and would soon act to eliminate death. (1 Peter 5:7; Revelation 21:4). May you find comfort from these scriptures promising resurrection of our loved ones.
