Brittney always came over with the biggest smile on her face and would ask me how I was doing. She considered us a part of her family and she was just as big a part of ours. I will never understand why she was taken away from us. But I will always wonder what might have been. Love you baby girl! Miss you more than life itself.

My sweet niece was taken too soon. I will miss many things about her – her smile, making her laugh, hearing her call me Auntie, watching her play with her dog Sarge, hearing her say “I love you” & watching movies. I was so lucky to see her almost every day her first 12 years. The last time together was fun. Brit decided to stay home and we watch movies, laughed and went on a walk. I'm so thankful for that time & very thankful I had her for my niece – my Brit Brat. I will see you again when Jesus returns for us. I love you always – forever in my heart.
