My mom was always smiling and caring of others. She was such a great mom and friend to all. She was always ready to listen to your troubles and triumphs. I will TRUELY miss her, not a day will go by that I will want to see her and talk to her. As I got older I found that we became not just mother and daughter but true friends as well. I so many fond memories of her and I know she's in a better place with her parents and siblings. I will see her again when my time comes. I love you mama and miss you.
