It is always so distressing to hear of the death of someone so young. Yet, it is comforting to know that our God never intended humans to experience such pain. How we look forward to His promise at Isaiah 25:8 to swallow up death forever and wipe away tears from all faces. Until that time, be assured that He knows the pain you endure and feels it as well. Through the death of His OWN son, He has already taken steps to permanently remove all pain and suffering including death.
