Linda Fischer posted:

When I was a little girl Uncle Dan and Aunt Ann would always take me to a "fancy" restaurant when I came to visit them, which was every summer. We would go and I got to spend the night! Aunt Ann would and let me put on her perfume and try on her jewelry, then put me to bed with kisses and hugs. It was always my favorite part of the summer. I will miss her like no one will ever know! ❤️
