I just heard of Christine's passing and was heartbroken. I wanted to reach out to her family. I worked for Christine at FedEx for just a few years, but she was amazing woman and leader. I cherished her insight, friendship, and compassion and even after I left her organization, it was always a treat to run into her in the hallway –she always had a huge smile. My thoughts are with you, her family, and with all who loved her. She was a great lady.

So many good memories of Christine. We met as teenagers 35 years ago. We lost touch for awhile but thankfully we were able to reconnect 9 years ago. Since then we have had a lot of good times together – birthdays, halloweens, Pickwick! Christine was one of the sweetest, kindest people I've ever met. Loved her family and friends and never a bad word about anyone! I will miss you greatly!

Christine was beautiful inside and out. She was one of those few people you meet who was always positive. I never heard her say an unkind word regarding others and knew her since we were teenagers. She will be greatly missed.
