My dear cousin, DAN, was funny, smart, motivated to succeed, and loving to myself and two sisters. He and Kathy were a fun couple to be around. There was never a dull moment if Dan was around!! He loved my Mom (his aunt) and she he. It is with great sadness and disbelief that Dan is no longer with us on Earth. Without a doubt he is reconnected with his father, 2 grandmothers, my dad, uncle Billy, and so many more characters, that HEAVEN is ready to explode with personality. RIP my cousin and friend. Love you forever. Save me a seat, so I'll know when I'm back in your world. Love you always, Sylvia

Blessed to have so many memories that include Dan, from childhood mischievousness to sharing hobbies, as much of a brother as a best friend. Kathy, we will be praying for you. Bubba and Patti Vance
