She was my older sister. We all called her Yvonne. She was beautiful. I always thought she looked like a movie star . She loved to dance to Elvis music. I believe she is doing the twist and playing Elvis music . Love you forever ! Love. Mary

Kim, your Mom was a treasure. I feel lucky I was able to get to know her. I loved talking with her and sharing our love for our girls. She was always interested in everything I said, but always expected me to give her a weather report! I made sure I had the most current information. Thanks for sharing her with me. I know she loves you and wants all the best for you now. I am here for you anytime.
