There are no words to describe my broken heart! David is my cousin and I have know him since his birth! There are way too many memories for me to try and articulate right now! Kellee, Hannah, Andrew, Hunter, Dave, Lillie & Allison and all the extended family please know that although we are not with you now we are with you in spirit, and mom and I will be there with you on Thursday! I remember David from a baby and watching him grow into a TRUE man of God who loved his wife, kids, parents, sister, friends and all the rest of this family. He truly lived his faith everyday in every way! He has left an example for ALL of us to follow. I will treasure forever the few times I was able to spend with him in the last few years, especially Dave & Lillie's 50th anniversary just a few short weeks ago. To God be the Glory in ALL things! Although I will miss you for the rest of my life I DO NO grieve without hope, knowing that I WILL see you again in GLORY! May God grant peace and mercy to us all!

I remember David well from our time at Calvary. I have not seen him since I graduated in 1985, but it still is heart wrenching to know someone has lost a father, brother, husband , and friend. After reading all of the post about David it sounds like he was a great man that did great things! He sure did make all of the Calvary graduates proud! My condolences to his family and know that we are all praying for all of you in this difficult time.Troy Thomas

David was quick to smile, quick to laugh, and quick to love others with love that over-flowed from his love of Christ. The best expression that I can remember of this was last year, when my wife and I were going on vacation and wanted this to be a child-free solo trip. We had a 15 year-old living with us at the time, and needed somewhere for him to stay. He was a challenging kid to have around, but David and Kellee were quick to step up and invite him in for the week. Not only did they invite him in, but treated him as their own and lavished love on him. Undeserved love....the way Jesus loves. I can think of more instances, but this event is the one that best describes David's heart to me. He will be greatly missed by our family.
