My late husband, Wayne Dacus, was good friends with Mike. We went on a wild boar hunting trip in the Ozarks with him and his wife in the mid 60's. They had a great time hunting. I had a great time enjoying the beautiful mountains. It was the first time I'd ever seen mountains like that, and I've been in love with the Ozarks ever since. My heart goes out to Mike's family as they grieve his loss from this world. May you be blessed with peace and comfort as you face the days ahead without him.
