I was on vacation the week of May 7th. When I came back to work at FedEx, one of my colleagues told me that she had been killed. My heart goes out to the family because she was a friend to me. We would ride together on a shuttle bus and talk about Spanish and English words for expressions in each language. May the Lord give you consolation and strength to help you in this time of sadness.

Francis always carried pictures of Joseph and Samantha in her Fedex ID holder. When ever I got a chance to see her I'd take a peek to see if she had updated them. Two beautiful children and she was so very proud of them. Francis will be truly missed by her FEDEX FAMILY!!!! Rest In Heaven Francis!! CO-WORKER Regina Dennis
