We are so happy that we had time with Hilma when she came to visit us last summer. She was so welcoming to us when we first knew we would be moving to Memphis. I will forever remember her kindness and open door policy when we needed it. I hope she and Bob are united in heaven and will be together again where they belong. We love all you girls and are truly sorry that you had to suffer another painful loss. Take care of each other and keep their memories alive in your hearts. They loved you girls as I know you loved them.

We are so sorry about your mom. She was a real jewel of a lady. Bill and I will always remember her kindness and sharp wit while we were part of the Italian Fest team. How blessed all of you are to have had such loving and dear parents. We are out of town for 2 weeks, but we are with you in spirit. May God give you strength and peace in the months ahead.
