Mrs. McCommon was a beautiful lady who made such an impact on our family. She and Mr. McCommon have been in our lives since we came to the U.S. in 1981. She was a fine woman of God and a beacon of light to us all. I want to thank her for loving the Laotian, it's ministry and our family. Not only did she opened her home but she opened her heart with unconditional love to welcome us. She and Mr. McCommon are family to me- they've watched me grow, seen me get married and have been there for the birth of my two boys. They have carried us through difficult times such as the lost our Mom and then Dad. I am blessed and a better person just to have known her. I will truly miss her sweet spirit but I take comfort in knowing she is home with our Lord and will one day see her again.
