Words can't describe how I feel right now. I love you so much Ms.Kyle. You are and always will be the most generous, kind, and compassionate person I have laid eyes on. I enjoyed taking care of you and I enjoyed our talks. I will miss your warm hugs and your sweet kisses. I love you little lady always and forever.

Carolyn Ann and I had pool therapy together for so many years at Campbell Clinic. We always shared our stories, and between the two of us, plus about 4 more "regulars", we spent the hour of therapy laughing and listening. I have a son, who was 18 at the time. He had many "adventures", girl friends, and break ups, which I managed to live through with the help of Carolyn Ann. She shared many good things about Terri and Ronnie with me, and her sweet darling Kendall who brought her so very much joy all the years. She is truly missed by me, and all her friends, I know. She is a very good soul, and I'm sure she is right there in heaven where she belongs. She will have her wings in no time, and, as in her life, she will now be taking care of all of us from heaven. My heart and prayers go out to her family in this sorrowful time. Sue Hughes
